Quiet space

Pitch number	Location in venue	Activity title	Power need	Table from church (20 tables 6ft) from IF (2 tables 5ft)	Table cloth	Chairs	Set of 4x A1 display panels	Electricity / Other requirements
1	Ground floor	Can you reach 100million degrees?	1	2	2	1	1	2 x laptop 2 x screens 1 x plasma ball
2	Ground floor	Diamond the hidden gem	1	2	2	2	0	Info not communicated
3	Ground floor	Banana Equivalent Dose	1	2	0	2	1	Info not communicated
4	Ground floor	Superconductivity and MRI	1	2	2	2	0	A light
5	Ground floor	Cutting-edge research	1	2	0	2	0	NDS - iPads (can run on batteries for a few hours) NDORMS – Laptop, model knee surgery exhibit (can run on batteries for a few hours) We will use 1 extension lead with one or two items plugged in at one time.
6	Ground floor	Creepy Critters & Climate Change	1	3	2	2	1	No definite plans for electrical items at present
7	Ground floor	Exploring Your Synchrotron!	2	2	0	1	2	As we will be finalising the stand content closer to the time I am unsure of the exact items we will need to plug in. I imagine we will need to plug in a laptop/screen, and potentially an interactive demonstration (such as a cloud chamber).
8	Ground floor	Earthquake Engineering in Action	1	2	2	1	1	Info not communicated
Total			8	17 (+2) Welcome desk	10	13	6 + (2 extra)	
From Venue			8	10	0	13	0	
From IF			0	7 (9 preferably)	10	0	8
